

POTTY TRAINING

WHEN TO BRING PUPPY OUT?

1. After Eating
2. After Drinking
3. After Sleeping
4. After Crate
5. When puppy is sniffing around on floor

WHAT TO DO WHEN TAKING PUPPY OUT

1. Use a consistent phrase like 'go potty'
2. Wait for puppy to completely finish pottying, and then give lots of praise
3. No playing when out! Potty time is for potty.

WHAT NOT TO DO

1. Leave puppy unattended
2. Yell, reprimand or 'discipline' puppy for an accident
3. Give puppy too much room in your house
(quarantine them to a small area when they are potty training)

REMEMBER

1. Be consistent
2. Praise puppy when they potty outside
3. Always watch for potty cues
4. Keep puppy close
5. Kennel puppy when you can't supervise them
