

Fully Washable Pet Bed!

We have used and recommend The *Wash 'n Zip Pet Bed*. This bed is unlike any other dog bed we've seen for these reasons:

- Easily and entirely launderable
- Multiple uses (dog bed, crate pad, furniture throw, blanket, car seat cover)
- No annoying cover to remove...just unzip and throw in the washer
- Aids with flea & odor prevention
- Good value for the price

We HIGHLY recommend considering their *Puppy Proofer* to help deter your pup from the temptation of gnawing on the zipper and bed corners.
